TRG produces a podcast series entitled "Podbridge," which covers emerging issues and ideas of shared interest in the U.S., the Middle East and around the world. TRG built Podbridge.com, the website that hosts the podcast, and continues to support the website by posting content, providing SEO and coding updates, adding new platforms and ensuring uptime via the hosting provider, WP Engine.

TRG was responsible for all aspects of production of the podcasts, including recording the podcast conversations with the host and guests, editing the podcast, creating promotional materials for each episode that included video clips of each conversation, and distributing the podcast to podcast platforms. TRG compiled metrics reports periodically for individual episodes and for the show overall and met with members of the Embassy staff to walk through those metrics. During this period the bulk of our time was focused on retooling the podcast based on response to its initial launch. This included format changes, changes in promotion strategies, reconsideration of content and approach of the programming.
